

Conducted Seminars and Invited Lectures in 2002-2008:

1. Invited speaker at the Chemistry Department of Xavier University of Louisiana, New Orleans, October 18th, 2007. The title of seminar is "Metal-based anticancer drugs."
2. Seminar at the Department of Chemistry and Biochemistry of University of Minnesota-Duluth, March 23rd, 2007.
3. Seminar at the Department of Chemistry of University of North Dakota, Grand Forks, March 22nd, 2007.
4. Seminar at the Department of Chemistry and Molecular Biology of North Dakota State University, Fargo, March 20th, 2007
5. Missouri-Oklahoma-Kansas ACS speaker at Missouri State Southern University, November 2006
6. Seminar at the Department of Chemistry of MSU, September 11th, 2006.
7. Seminar at the Department of Chemistry of the University of Missouri - St. Louis April 11th, 2005.
8. Seminar at the Department of Chemistry and Biochemistry the University of Oklahoma. March 25th, 2005.
9. Seminar at the Department of Chemistry of SMSU. November 1st, 2004.
10. Seminar at the Department of Chemistry of University Missouri Kansas City. October, 28th 2004.
11. Seminar on Inorganic Chemistry Colloquium of the Department of Chemistry of University of Kansas. October, 5th 2004
12. Seminar at the Chemistry Department of University of Missouri-Rolla; February, 16th 2004.
13. Invited speaker for the Department of Chemistry of Kansas State University; April, 8th 2004
14. Presentation on CNAS Lecture Series at SMSU; March, 30th 2004.
15. CNAS, Summer Seminar Series, SMSU Presentation, June, 24th 2003
16. CNAS, Lunch Seminar Series, SMSU Presentation, October, 21st 2003
17. Arkansas State University, Jonesboro, AR. Invited speaker of the ACS local section. November, 22nd of 2002
18. CNAS, Department of Agriculture, SMSU, Springfield Invited speaker November 4th of 2002
19. Department of Chemistry, SMSU, October, 21st 2002, Departmental seminar
20. Wichita State University, Wichita, KS, Chemistry Department invited speaker, October, 16th of 2002
21. English Language Institute, SMSU, Springfield, MO; Invited presentation on Seminar Lecture Series. March, 20th 2002
22. Southeast Oklahoma State University, Durant, OK; February, 28th 2002, Invited speaker of the ACS local section

Other oral presentations at professional meetings:

- at the Missouri Inorganic Days:
17th (2002, University of Missouri St. Louis),
18th (2004, University of Missouri-Columbia),
19th (2005, Washington University);
20th (2006, Missouri State University).
- IV Mid-South Inorganic Chemists Association (2005, October 1, University of Central

- Arkansas, Conway); and MICA Spring-2007 and Fall-2007 meetings.
- Missouri Academy of Sciences Meetings (April 22, 2002 at Southwest Missouri State University and April 20, 2006 at Truman State University)
 - VI Midwest Inorganic Chemists Association (2007, March 7th, Missouri State University; Missouri)
 - VII Midwest Inorganic Chemists Association (2007, October 14th, Harding University; Searcy, Arkansas)
