PAPERS

Mickus, K., 2004, Gravity constraints on the crustal structure of Central America: in *The Circum-Gulf of Mexico and the Caribbean: Hydrocarbon habitats, Basin formation and Plate tectonics*, edited by Bartolini, C., Buffler, R., and Blickwede, J., AAPG memoir 79, p. 638-655.

Bartolini, C., and Mickus, K., 2002, Tectonic blocks, magmatic arcs, and oceanic terrains: A preliminary interpretation based on gravity, outcrop and subsurface data, north-central Mexico: in Bartolini, C., Buffler, R., and Cantu-Chapa, A. (eds.), *Mesozoic and Cenozoic Evolution of the Western Gulf of Mexico Basin: Tectonics, Sedimentary Basins and Petroleum*: Tulsa, OK., Am. Assoc. Petroleum Geol. Memoir 75, p. 399-420.

Moreno, F., Mickus, K., and Keller, G., 2000, The extent of the Ouachita orogenic belt into Mexico and the crustal structure of northern Mexico: *Geofisica Internacional*, v. 39, p. 229-246.

Mickus, K., and Montana, C., 1999, Crustal structure of northeastern Mexico as revealed through the analysis of gravity data: In: *Mesozoic Sedimentary and Tectonic History of North-Central Mexico*, (C. Bartolini and T. Lawton, eds.), Geological Soc. of Am. special paper 340, p. 357-372.

ABSTRACTS

Montana, C. and Mickus, K., 2010, **Gravity and magnetic analysis of the crustal structure of northeastern Mexico**, presented to North-Central/South Central GSA meeting, Branson, Mo.

Mickus, K., 2002, Gravity constraints on the crustal structure of Central America, presented to the 16th Caribbean Geologic Congress, Barbados.

Johnson, E., Gutierrez, M., and Mickus, K. 2001, Evaluation of pollution sources for a segment of the Rio Conchos in northern Mexico by use of Landsat TM, presented to ASPRS annual meeting, St. Louis.

Mickus, K., 2001, Gravity analysis of the northern Sierra Madre Occidental, Mexico: *GEOS*, Union Geofisica Mexicana A.C., v. 21, p. 178.

Moreno, F., Mickus, K., and Keller, G., 1996, The extent of the Ouachita orogenic belt into northern Mexico: *GSA program with abstr.*, v. 28, p. 39.

Bartolini, C., Montana, C., and Mickus, K., 1995, Geological and Geophysical studies in NE Mexico: *EOS Trans. AGU*, v. 76, p. 535-536.

Machorro, R., and Mickus, K.L., 1993, Structural continuity of the Polochic Fault into SW Mexico: *EOS Trans. AGU*, v. 74, p. 576.

Moreno, F., Keller, G.R., and Mickus, K.L., 1993, The extent of the Ouachita continental margin in northern Mexico: Presented to Circum-Pacific and Circum-Atlantic terrane Conference, Guanajuato, Mexico, Nov. 9-14.
